appealed to by the streeten. about to assest by "shutting off the sion," making operation of the care

Mires said that sething Curther sold be done until after be and his low workers returned to Mayor Hylan's office late this afternoon with the proposition from the men to be presented to Judge Mayer.

Acting Public Service Commissioner Alfred B. Barrett renumed his inquiry into the strike situation at

The meeting of yesterday adtourned because of the inability of Attorney Fridiger to attend, Mr. Barrets then told those present that min Commission was desirous of learning how all the employees stood with regard to the strike.

The Newtown police were notified te-day that the B. R. T. will start ten cars to-morrow from the Maspeth parns, and it was said that adequate silve protection would be furnished. The cars will run from the Fresh Pond terminal of the elevated to Maspath, Flushing and North Beach,

Receiver Garrison and W. S. Menden, his general manager, asserted they would continue improving service with the notably efficient protection of the police and without refstence to the negotiations being made for the return of the strikers to work. As an indication of the confidence felt by the company officials in the ability of the police, the steel framed blinged screen doors were removed from "caged care" to-day. It was found that they slowed up movement of the cars and were not needed

and men. Garrison said to-day be was ferever through with the present representatives o fthe Amaignmeted Asspeciation in Brooklyn. He declared

initiating a strike.

Garrison said he did not mean that he would refuse to see any member of the Amaigamated who was in the sampley of the company or had been, but that he was through receiving of that he was through receiving of disorderly conduct and was paroled for examination to more way the is alleged that Nathanson tried to resist arrest.

Richard W. Butler of No. 108 Utica Avenue, was before Magistrate Dodd in the Adams Street court on a charge of disorderly conduct and was paroled for examination to more way. He is alleged to have shouted

and Electric Railway Employees, gave baults" on strikers by the police. In a James Nolan of No. 89 Union Street and James Nolan of No. 899 Union Street and James Nolan of No. 899 Union Street and Lyceum last night men whose eyes had been blackened or who had been cut and bruised or suffered broken bones were asked to stand up. Nine the Workhouse. Three men accused of hurling epithets at Patrolman John hundred and seventy were counted.

Policemen in and out of uniform who are on duty along the car lines and at the car barns said they had preserved notes, by orders, of every instance where they had used force. All strikers in groups from which stones were thrown, or which chased stones were thrown, or which chased atriking guard of No. 179 Fourth Avenue are the consequences of administration of the way of the police when in such company. Deputy Commissioner Lakey has instructed officers and men that he will hold them individually responsible for every brick ing the opening of doors on a sulway train. The opening of doors on a sulway train.

MAHON, ON WAY, WILL FIGHT FOR **FULL ARBITRATION**

Union Head Hopes for B. R. T. Settlement, but Says Men Will "See Thing Through."

WILLIAM D. Mahon, International President of the Amalgamated Association of Street and Electric Rallway Employees, will leave for New York to-day to assist Patrick J. Shea in the management of the Brooklyn strike. William B. Fitzgerald, Vice President, Who conducted the 1916 Manhattan etrike, may accompany him.

"I hope for an early settlement," he said, "but we are prepared to see the thing through." Mahon insists that settlement shall be made on a basis of full arbitration without reservations by either aide.

"There is no arbitration," mid be. "where one side has the right to reject the arbitrators' award if it chooses to do so. We are and always have been willing to go before any fair board, lay all our cards on the table and abide by the result."
